

BARBIE DOLL BABY

ADAM

You look just like a dream I might have had the other night
A storybook-like beauty that I never thought I'd find
You blow that sexy saxophone, it always drives me wild
You play me just like a child

Barbie Doll Baby
You're driving me crazy
You like to play your games
And bounce me like a ball
You want to have it all
Barbie Doll Baby

Everybody wants some of your plastic, made-up smile
More all-American than processed apple pie
Long blonde hair, deep blue eyes, and things you can't expose
You try to hide but everyone knows

Barbie Doll Baby
Can you blame me?
More beautiful than anyone
I ever can recall
I wanna have it all
Barbie Doll Baby

Barbie Doll Baby
Will you take me?
I'll kneel down so low
For you I'll beg and crawl
I've just got to call you
My Barbie Doll
