

# SHE MUST BE CRAZY

ADAM

When the truth begins to shine  
Through the windows of my life  
I can feel humility  
I've got nothing here to flaunt  
I cannot be the one she wants  
The only explanation is that she's

Crazy, crazy, crazy as a girl can be  
She's crazy for loving me  
Got to be crazy, crazy, crazy  
Anyone can see she's crazy for loving me, crazed insanity  
But when she looks into my eyes, you see  
I start to fantasize  
She's crazy

I have no tact, I got no soul  
And now my life's got no control  
I feel I'm getting much too old  
I have no money I can spare  
I got no class, no savoir-faire  
But she don't care, because she's

Crazy, crazy, crazy as a girl can be  
She's crazy for loving me  
Got to be crazy, crazy, crazy  
Anyone can see she's crazy about me, crazed insanity  
So now she looks into my eyes  
And now I realize she's crazy

Running naked down the shore  
In the middle of the night  
Thoughts we never had before  
Things we never did in daylight

She must be crazy, crazy, crazy as a girl can be  
She's crazy for loving me  
Got to be crazy, crazy, crazy  
Anyone can see she's crazy for loving me, crazed insanity  
But every time I see her eyes  
I always fantasize... crazy
