

# OPEN ME UP

ADAM

So many times, so many ways  
So many days I'd rather just forget  
I remember the pain, from days I got hurt  
I'm some piece of work, and my heart will never heal

So I built myself a wall of stone  
No one would ever break right through, but then there was you

Open me up, settle me down  
You'll be the end of my nights on the town  
I've been needing somebody like you in my life

Open me up, set my soul free  
Tell me the person that I should be  
You've got this power I've never seen before  
You can open the door  
You can open me up

Like out of a dream, it's too good to be true  
Cuz when I'm with you, it doesn't seem real  
You come into my world, and recharge my soul  
I lose all control, and I'm yours for the moment

But I built myself this wall of stone  
No one could ever break right through, til there was you

*chorus*

We all pretend to live our lives in our own way  
Never needing anyone to stay  
But then somebody makes us see that's not the way  
They're gonna open up our eyes, so

*chorus*
